R Course to VTT Technical Research Center of Finland
Exercise 4

Oguzhan GENCOGLU

Tampere University of Technology, VTT

May, 2016

Abstract

This document contains the tasks for Exercise 4. For questions, please contact `oguzhan.gencoglu@tut.fi`.

1 Use R at VTT

Use R & RStudio to read and analyze a VTT dataset. The analysis does not have to be complicated. Explain the analysis in a few sentences in a report. List the libraries and functions used in the analysis.
